

## Our Vision

PT Toba Pulp Lestari, Tbk (TPL) acknowledges its responsibility towards biodiversity as a forest management company. TPL believes with its robust forest management framework and system, it will preserve natural resources uplifting the balance in biodiversity. This policy applies to all employees, suppliers and TPL's stakeholders.

## Our Commitment

### We are:

- ✪ Committed to halt harvesting of mixed hardwood on 30<sup>th</sup> June 2014.
- ✪ Committed to maintaining High Conservation Value (HCV) and High Carbon Stock (HCS) areas.
- ✪ Committed to zero deforestation or zero conversion of natural ecosystems and applies to all suppliers.
- ✪ Commitment to zero tolerance for new development on peatlands in forest and non-forest areas of any depth and applies to all suppliers.
- ✪ Committed to best management practices for soils and peat in all operations and applies to all suppliers.
- ✪ Committed to implementing landscape conservation, ecosystem representation, and management of protected, rare, endangered, and endemic flora and fauna.
- ✪ Committed to protect forest areas from illegal activities in all operations and applies to all suppliers.
- ✪ Committed to no hunting in all operations and applies to all suppliers.
- ✪ Committed to supporting biodiversity efforts to improve learning and knowledge management and to capture and scale-up best practice.
- ✪ Committed to promoting biodiversity awareness to employees, partners, and the communities around which TPL operates.
- ✪ Committed to enable sustainable use of non-timber forest products (NTFPs) by local communities.
- ✪ Committed to uphold zero-tolerance to any non-compliance to this policy by our employees, suppliers and other stakeholders.
