

## **Involvement of PT Toba Pulp Lestari Suppliers**

PT Toba Pulp Lestari (TPL) implements company values or company policies and compliance with government regulations is carried out by including them in cooperation contracts with all suppliers.

TPL has a Supplier Evaluation Scoring System which is used to determine supplier performance at TPL. By knowing supplier performance, TPL can determine the economic aspects of TPL's sustainability for future collaboration.

TPL selects and empowers its local suppliers based on their commitment to delivery, supply, quality, cost and lead time.

TPL supports local entrepreneurs and in 2023, TPL has an Evaluation System for contractors (suppliers), of the 245 suppliers assessed/evaluated, there are 244 (99.60%) suppliers who have complied with company/government regulations/policies.
