

FOR IMMEDIATE RELEASE**PT Toba Pulp Lestari Tbk Switched to Producing Paper-Grade Pulp**

Jakarta, Indonesia June 8, 2010 – PT Toba Pulp Lestari Tbk (TPL) announced today that it has switched from producing rayon staple grade of eucalyptus wood pulp to paper grade of wood pulp. This decision was taken by TPL's board of directors after considering market conditions and availability of raw materials, amongst other factors. Going forward, TPL's board will continue to monitor and assess the above-mentioned factors and decide whether to produce paper-grade pulp or rayon-grade pulp accordingly.
