This development is the result of a collaboration between TPL and the South Tapanuli Police, aiming to meet the clean water needs of the residents of Palsabolas Village. The program is expected to have a positive impact on the community, particularly in ensuring the availability of much-needed clean water.

Riady Siregar, the Head of East Angkola District, expressed his deep appreciation to TPL and the South Tapanuli Police for this initiative.

"We are very grateful for the support provided by TPL and the South Tapanuli Police. The construction of this bore well and water reservoir will greatly assist the community in accessing clean water. We hope this program runs smoothly and provides sustainable benefits for the residents of Palsabolas Village," said Riady.

Similarly, Pardamean Harahap, the Head of Palsabolas Village, also conveyed his gratitude. "On behalf of all the residents of Palsabolas Village, we extend our heartfelt thanks to the company and the South

Tapanuli Police. This support means a lot to us, especially in improving the quality of life in our village," said Pardamean.

Hasanuddin Harahap, a community leader in Palsabolas Village, also shared his appreciation. "On behalf of the community, we are very grateful and appreciative of the support provided by TPL and the South Tapanuli Police. We hope this collaboration will continue for the shared well-being," said Hasanuddin.

South Tapanuli Police Chief, Yasir Ahmadi, also expressed his appreciation to TPL for actively contributing to this development. "I would like to thank TPL for this excellent collaboration. The construction of this bore well and water reservoir is a tangible form of our shared commitment to helping the community. Hopefully, this program can serve as a model for positive synergy between the private sector and the government in regional development," said Yasir in his speech.

Heddy Panjaitan, TPL's South Tapanuli Sector Manager, accompanied by Jhonny Sitohang, CD Officer, reaffirmed TPL's commitment to supporting community development. "TPL is always striving to make a real contribution to the communities surrounding our operational areas. The construction of this bore well and water reservoir is expected to be a solution to the clean water issues in Palsabolas Village. We also sincerely thank the South Tapanuli Police for this outstanding collaboration," said Heddy.

With this program, it is hoped that the clean water needs of Palsabolas Village residents will be met, ultimately improving their quality of life and well-being.
